ROUTINE NOTES:

[To be used only for notes, requisitions, etc., not intended for permanent record.]

The fees allowed for medical examinations in Insurance Cases are noted on the Slip attached. It is the finding that meets the charge in Ins. Cases. In Commutation Cases it is the pensioners that have to pay the fees.

The fees suggested by the S. S. for the examining officer and himself (4th and 2nd respectively) seem to be somewhat heavy.

The Compt. may perhaps be requested for ascertainment from the Asst. General Manager, who is obtaining in Madras.

To the controller, requesting him to ascertain from the Accountant General, Madras, the practice prevailing there and report the same to Govt.

Letter No. 454 (pen d 3.5.28) from the controller, forwarding a copy of letter from the Accountant Gen. Madras.

It is seen from the statement that the medical fee payable for examination by a single medical officer, is Rs 15/- in the case of persons drawing Rs. 100/- and over and Rs 7 1/2 in the case of others.

Examination by Med. Board in the first instance is Rs. 21/-

Now in case the applicant asked to appear, again a fee of Rs. 21/- from a single medical officer.

These are the fees for the medical officer.

N. B.—Should routine notes be written on small slips the notes must be copied, or slips pasted on this form.

The fees of medical officer for the examination are Rs.

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

It is not known whether any fees are presented for the officer who peremptorises the medical report. This work is done here by the S. S.

I think that the fees of Rs 4/- and Rs 2/- ~~may~~ for the examining medical officer and the S. S. ^{respectively} may be fixed in the case of pensioners drawing a pension of exceeding Rs 100/-.. Half of these ^{fees} may be presented in the case of others i.e. those drawing a pension of Rs 100 and less.

Fees of the Medical Board may be fixed at 6/- for those drawing a pension of Rs 100/- and less, and 3/- for others.

Kind ref. is invited to the opinion of the S. S. He has not stated what fee is received in the case of examination by a Medical Board.

The fees proposed by the S^r Surgeon
Rs 4. for the D.H.O & Rs 2 for

I ~~consider~~ doubt if the pensioners

With reference to your letter No. Fl. 7136, dated 23/2/28, I have the honor to state that, considering that the medical examination of persons applying for commutation of pension has to be a very searching one, involving much time and labour on the part of the examining Medical Officer, and that the same is entirely conducted on the initiative of the applicant for his own benefit, I am of opinion that a fee of Rs. 4/- may be fixed as reasonable for the Examining Medical Officer and Rs. 2/- to the Senior Surgeon, on the analogy of the practice in connection with the
